ARTICLE 4 **SETTLEMENT CONSIDERATION AND COMPENSATION**

4.01 Consideration for Release

- (1) Provided that the Court grants the Settlement Approval Order and Judgment, and after the Effective Date, in consideration of the Release provided for in Article 5 and the dismissal of the Proceeding, the Defendants agree that the following will be made available to the Settlement Class through the claims process:
 - (a) the Cash Fund in the amount of Canadian dollars calculated pursuant to sub-section 4.01(2), less any amounts approved by the Court for Settlement Fees and Expenses, any Plaintiff Honorarium, any Class Counsel’s Fees and any Merchant Counsel Fees; and
 - (b) the Rebate Fund comprised of rebates with a face value in the amount calculated pursuant to sub-section 4.01(2).
- (2) If, in the Certification and Notice Approval Order, the Court certifies the Proceeding as a class proceeding with respect to all Class Members, then the maximum amount that the

Defendants shall be required to pay to the Cash Fund pursuant to Section 4.01(1)(a) shall be \$13,775,000 (the “**Cash Fund Maximum**”) and the maximum amount the Defendants shall be required to make available to the Settlement Class in the Rebate Fund shall be rebates with a face value in the aggregate of \$725,000 (the “**Rebate Fund Maximum**”).

4.02 Timing of Payment to Cash Fund

- (1) Notwithstanding Section 4.01, the Defendants shall pay into the Trust Account the Cash Fund Maximum within 30 days of the execution of this Settlement Agreement by all Agreement Parties.
- (2) Notwithstanding anything else in this Settlement Agreement, before the Effective Date, the amount paid under Section 4.02(1) shall be expended only on the cost of the First Class Notice.
- (3) If the Defendants fail to pay the Cash Fund Maximum in accordance with Section 4.02(1) or fails to make available the Rebate Fund Maximum in accordance with Section 4.01, the Plaintiffs and Ontario Plaintiffs may move before the Court to enforce these obligations.

4.03 Compensation Options

- (1) Subject to the provisions of this Settlement Agreement, in particular, but without limitation, Section 8.03, Settlement Class Members may submit a claim for only one of the following options of compensation for each Class Vehicle that Settlement Class Members have owned or leased, subject to the limitations set forth in Section 4.04(2) below for Class Vehicles that one Class Member leased to another:
 - (a) **Cash Option:** This option provides for a payment based on months of ownership or lease of up to \$2,500 per Class Vehicle. Each demonstrated month of ownership or lease through February 2022 is eligible (subject to the limitations set forth in Section 4.04(2)) for the following amounts:

Class Vehicle Model Year	Monetary Amount
2011	\$19.38/month
2012	\$21.37/month
2013	\$23.81/month
2014	\$26.88/month

- (b) **Rebate Option:** For each Class Vehicle owned or leased by a member of the Settlement Class, such member of the Settlement Class may select a rebate based on months of ownership or lease worth up to \$10,000 towards the purchase of a new Navistar class 8 heavy duty truck. The rebates are deducted from the best negotiated retail purchase price (not including sales taxes or delivery fees) and in addition to any other applicable promotion, rebate, or discount then in effect at the time of purchase and for which both the purchase and the purchaser would otherwise qualify. The rebates will expire 18 months after the date that the rebate certificates are sent to the members of the Settlement Class. The rebates are not transferable and not stackable. Each member of the Settlement Class may receive up to a maximum of ten total rebates, regardless of the number of vehicles purchased or leased. Each demonstrated month of ownership/lease through February 2022 is eligible (subject to the limitations set forth in Section 4.04(2)) for the following amounts:

Class Vehicle Model Year	Monetary Amount
2011	\$77.52/month
2012	\$85.47/month
2013	\$95.24/month
2014	\$107.53/month

- (c) **Individual Prove-Up Option:** For each Class Vehicle owned or leased by a member of the Settlement Class, such member of the Settlement Class may seek to prove up to \$15,000 of Covered Costs per Class Vehicle. Whether and what amount of Covered Costs should be awarded pursuant to this provision shall be determined by the Settlement Administrator consistent with this Settlement Agreement, subject to an appeal adjudicated by the Settlement Administrator. Defendants will not be entitled to assert any legal defenses to these Covered Costs, although Defendants may demonstrate that a claimant does not meet the requirements of this Settlement Agreement. Members of the Settlement Class opting for relief under this Section may, at any time prior to a final determination of their award, opt instead to receive the payment that they would be entitled to under the Cash Option (Section 4.03(1)(a)).

Notwithstanding the definition of Covered Costs, the recoverable cost of parts and labor incurred as a result of a Covered Event that occurred when the Class Vehicle had between 800,000 kilometers and 1,600,000 kilometres are capped at \$7,500 for all Covered Events.

Parts and labor incurred as a result of a Covered Event that occurred when the Class Vehicle had 1,600,001 kilometres or more are not compensated. For the avoidance of doubt, total compensation for all Covered Costs for any member of the Settlement Class for a given Class Vehicle shall not exceed \$15,000.

All costs not expressly defined above as a Covered Cost are excluded, including opportunity costs (e.g., lost opportunity due to an unreliable Class Vehicle) and the cost of replacing employees.

Members of the Settlement Class opting for relief under this Section must sign a certification stating under penalty of law: "I certify that the oil and filters were regularly changed on this vehicle within the timeframes recommended by Navistar."

4.04 Compensation in Connection with Leased Class Vehicles

- (1) Any member of the Settlement Class who leased a Class Vehicle from the Defendants, the Defendants' corporate affiliates, or an Authorized Navistar Dealer will recover on the same terms as owners of Class Vehicles.
- (2) If a Class Member who owned a Class Vehicle leased that Class Vehicle for 30 days or less to another individual or entity, the owner, but not the lessee, may elect the Cash Option or the Rebate Option, or the Individual Prove-Up Option for Covered Costs paid by the owner, not the lessee, for the time period of the lease. The lessee of said lease of 30 days or less is not a Class Member. If a Class Vehicle was leased for more than 30 days, the Class Member who was the lessor and the Class Member who was the lessee of said Class Vehicle are each eligible, with sufficient Proof of Ownership or Lease, for half of the Cash Option or half the Rebate Option for the time period of the lease. Each lessor and lessee may instead independently elect the Individual Prove-Up Option. Class Counsel and Defendants' Counsel agree to work in good faith to determine appropriate cash/rebate apportionment through the claims administration process in the unlikely event that there is some lessor-lessee arrangement that is not already expressly anticipated by this Settlement Agreement.

4.05 Allocation of Funds in The Event of Oversubscription or Undersubscription

- (1) If either the Cash Fund or the Rebate Fund is oversubscribed—i.e., more claims for that type of compensation are approved than dollars or value available in that fund—then the claims within any oversubscribed fund will be reduced *pro rata*. In the Rebate Fund, that

means that each rebate will be reduced by an equal amount until the fund is no longer oversubscribed. In the Cash Fund, that means that each cash payment (*i.e.*, each Cash Option and Each Individual Prove-Up Option) will be reduced by an equal percentage until the fund is no longer oversubscribed.

- (2) If following the claims administration process as described at s. 8.03(2) the Cash Fund is undersubscribed, then any remaining dollars within the Cash Fund shall be allocated *pro rata* to previously-approved, valid cash payments (*i.e.*, each Cash Option and Each Individual Prove-Up Option).
- (3) If the Rebate Fund is undersubscribed, the value of the unclaimed rebates shall revert to the Defendants.
- (4) An assessment of any remainder of the Cash Fund will be determined after the expiry of at least one-hundred and eighty (180) days following payment distributions to Settlement Class Members with approved, valid claims to capture any uncashed stale-dated cheques or payments (the "Residual"). If feasible (at the Settlement Administrator's discretion, having regard to the economics of the case and equity to Class Members), the Settlement Administrator will reallocate the Residual among the recipients of Cash Option payments in an equitable and economic fashion. If it is not economically feasible for the Residual to be redistributed, such monies shall be paid to a third-party charity to be agreed to by the Settling Parties, for the general benefit of Class Members if the amount is equal to or less than \$25,000. For distribution of any amount above \$25,000, further direction of the Court shall be sought. Under no circumstances will any repayment of the Cash Fund be made to the Defendants.

ARTICLE 5 **RELEASE**

5.01 Effective Date

- (1) The Release shall take effect upon the Effective Date.

5.02 Release

- (1) In consideration of the Settlement, the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate and each Settlement Class Member, on behalf of themselves and any other Person who may claim by, through, or under them, agree to fully, finally, and forever release,

relinquish, acquit, discharge, and hold harmless the Released Parties from any and all Released Claims.

- (2) In connection with this Settlement Agreement, the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate and members of the Settlement Class acknowledge that they may hereafter discover claims presently unknown or unsuspected, or facts in addition to or different from those that they now know or believe to be true concerning the subject matter of the Proceeding, Ontario Proceedings, Other Proceedings and/or the Release herein. Nevertheless, it is the intention of Class Counsel, CLG, Merchant and the members of the Settlement Class in executing this Settlement Agreement to fully, finally, and forever settle, release, discharge, and hold harmless the Released Parties for all such matters, and all claims relating thereto which exist, hereafter may exist, or might have existed (whether or not previously or currently asserted in any action or proceeding) with respect to the Proceeding, Ontario Proceedings, and Other Proceedings (including the ability to seek fees, disbursements, costs, HST and other applicable taxes or charges) except as otherwise stated in the Settlement Agreement.
- (3) The Defendants release the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate, Class Counsel, CLG and Merchant from any potential claims, counterclaims, or other relief (including the ability to seek fees, disbursements, costs, HST and other applicable taxes or charges) arising from the Proceeding and that could have been asserted against the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate or Class Counsel, CLG and Merchant as of the date of this Settlement Agreement.
- (4) The Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate, Class Counsel, CLG and Merchant release any and all claims or potential claims of any kind and nature whatsoever and in any forum against each other concerning anything whatsoever arising from the Proceeding, Ontario Proceedings, Other Proceedings and the Quebec action *4037308 Canada Inc. v. Navistar Canada Inc.*, Superior Court of Quebec File No. 500-06-000720-140, District of Montreal including any disputes under any alleged consortium agreements. For greater certainty, nothing in this subsection impacts the ability of Class Counsel and/or Merchant to apply for Class Counsel Fees and Merchant Counsel Fees pursuant to Article 9.01.

5.03 Limitations on Release

- (1) Nothing in this Agreement or Release shall be interpreted to modify or diminish the manufacturer's limited, written warranty with respect to a Class Vehicle.
- (2) Nothing in this Release shall affect any lease, loan, or purchase payments due to any Released Parties.
- (3) Members of the Settlement Class are not releasing any entitlement to Future Authorized Field Changes.
- (4) Members of the Settlement Class are not releasing any claims for personal injury or damage to property other than the Class Vehicles and Covered Costs, and such claims are not included in the Release.

5.04 Preclusion of Future Claims

- (1) The Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate and members of the Settlement Class expressly agree that the Settlement Approval Order and Judgment is, will be, and may be raised as a complete defense to, and will preclude any action or proceeding encompassed by this Release.
- (2) The Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate and members of the Settlement Class shall not now or hereafter institute, maintain, prosecute, assert, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or proceeding, against the Released Parties, either directly or indirectly, on their own behalf, on behalf of a class, or on behalf of any other person or entity with respect to the claims, causes of action and/or any other matters released through this Settlement.
- (3) Nothing in this Release shall preclude any action to enforce the terms of the Agreement, including participation in any of the processes detailed herein.

5.05 Representations and Warranties

- (1) The Plaintiffs, Ontario Plaintiffs and Zechel, R&A, the Brown Estate represent and warrant that they are the sole and exclusive owners of all claims that they are releasing under this Settlement Agreement. The Plaintiffs, Ontario Plaintiffs, Zechel, R&A, and the Brown Estate further represent and warrant that they have not assigned, pledged, or in any manner whatsoever, sold, transferred, assigned, or encumbered any right, title, interest, or claim

arising out of or in any way whatsoever pertaining to the Proceeding, Ontario Proceedings or Other Proceedings including without limitation, any claim for benefits, proceeds, or value under the Proceeding, Ontario Proceedings or Other Proceedings and that the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, and the Brown Estate are not aware of anyone other than themselves claiming any interest, in whole or in part, in the Proceeding, Ontario Proceedings or Other Proceedings or in any benefits, proceeds, or values under the Proceeding, Ontario Proceedings or Other Proceedings.

- (2) Without in any way limiting its scope, and, except to the extent otherwise specified in the Settlement Agreement, this Release covers by example and without limitation, any and all claims for lawyers' fees, lawyers' liens, costs, expert fees, consultant fees, interest, litigation fees or costs, or any other fees, costs, and/or disbursements incurred by any lawyers, Class Counsel, CLG, Merchant, the Plaintiffs, Ontario Plaintiffs, Zechel, R&A, the Brown Estate or the Settlement Class who claim to have provided assistance or legal services to the Class or any Class Member relating in any way to the Proceeding, Ontario Proceedings or Other Proceedings, the claims asserted in the Proceeding, Ontario Proceedings or Other Proceedings and/or the Class Vehicles.
- (3) The Plaintiffs, Ontario Plaintiffs, Zechel, R&A and the Brown Estate and Class Counsel, CLG and Merchant hereby agree and acknowledge that the provisions of this Release together constitute an essential and material term of the Agreement and shall be included in any Settlement Approval Order and Judgment entered by the Court.

ARTICLE 6 **SETTLEMENT APPROVAL PROCESS**

6.01 Opt Outs

- (1) Any Class Member who wishes to be excluded from the Class and to become an Opt Out must submit a request for exclusion to the Settlement Administrator at the address specified in the First Class Notice by the date specified in the anticipated Certification and Notice Approval Order and recited in the First Class Notice. Class Members who wish to be excluded from the Settlement Class must do so with respect to all Class Vehicles they purchased or lease(d). To be effective, the request for exclusion must be sent via first class mail or email to the address specified in the First Class Notice and
 - (a) include the Class Member's full name, address, and telephone number;

- (b) identify the model, model year, and VIN of the Class Member's Class Vehicle(s);
 - (c) explicitly and unambiguously state his, her, their, or its desire to be excluded from the Settlement Class; and
 - (d) be individually and personally signed by the Class Member. If the Class Member is an entity and not an individual, the request must be signed by an officer or director of the entity and include a statement that attests to that person's ability to act on behalf of that entity.
- (2) Any Class Member who fails to submit a timely and complete request for exclusion sent to the proper address shall be subject to and bound by this Settlement and every order or judgment entered pursuant to this Settlement. Any purported request for exclusion or other communication sent to such address that is unclear or internally inconsistent with respect to the Class Member's desire to be excluded from the Settlement Class will be deemed invalid unless determined otherwise by the Court. Requests for exclusion can be submitted only on behalf of each Class Vehicle(s) owned or leased by a particular Class Member. For example, mass-opt outs and class requests for exclusion that are not signed by each Class Member in the manner described in Section 6.01(1) shall not be permitted. Requests for exclusion signed only by counsel or other representative shall also not be permitted.
- (3) The Settlement Administrator will receive requests for exclusion and will follow guidelines developed jointly by Class Counsel and Defendants' Counsel for determining in the first instance whether they meet the requirements for Opting Out. Any communications from Class Members (whether styled as a request for exclusion, an objection, or a comment) as to which it is not readily apparent that the Class Member meant to exclude himself, herself, or itself from the Class will be evaluated jointly by Class Counsel and Defendants' Counsel, who will make a good faith evaluation, if possible, of the Class Member's intentions. Any uncertainties about whether a Class Member is requesting exclusion from the Settlement Class will ultimately be resolved by the Court.
- (4) The Settlement Administrator will maintain a list of all Opt Outs. The Settlement Administrator shall report the names and addresses of all such entities and persons requesting exclusion (the "**Opt Out List**") to the Court, Class Counsel, and Defendants' Counsel within 14 business days of the Opt Out deadline as specified in the First Class Notice.

- (5) The Defendants reserve all of their legal rights and defences with respect to any Class Member who validly opts out from the Class, and no term of this Settlement Agreement shall be tendered as evidence in any subsequent litigation by any such person against the Defendants.

6.02 Objections to or Comments on the Settlement Agreement

- (1) Any member of the Settlement Class who intends to object to or comment on this Settlement Agreement or the Settlement contained therein must, by the date specified in the anticipated Certification and Notice Approval Order and recited in the First Class Notice, provide the comment or objection to Class Counsel at the addresses set out in Section 11.16. Class Counsel will provide a copy of any comment or objection to Defendants' Counsel within one business day. Class Counsel must also provide a copy to the Court.
- (2) Subject to Court approval of the process provided herein, any objection to the Settlement Agreement must be individually and personally signed by the member of the Settlement Class submitting it. If the member of the Settlement Class is an entity and not an individual, the objection must be signed by an officer or director of the entity and include a statement that attests to that person's ability to act on behalf of that entity. If the member of the Settlement Class is represented by counsel, the objection must also be signed by such counsel. Any objection must include:
 - (a) the objecting member of the Settlement Class' full name, address, and telephone number or email address;
 - (b) the model, model year, and VIN of the objecting member of the Settlement Class' Class Vehicle(s), along with Proof of Membership in the Class;
 - (c) a written statement of all grounds for the objection, accompanied by any legal support for the objection;
 - (d) copies of any papers, briefs, or other documents upon which the objection is based;
 - (e) the name, address, email address, and telephone number of every lawyer representing or assisting the objector; and

- (f) a statement indicating whether the objector and/or his or her counsel intends to appear at the Settlement Approval Hearing and, if so, the evidence that person intends to rely on in support of the objection.
- (3) Any Class Member who does not file a timely written objection to the Settlement and notice of his or her intent/non-intent to appear at the Settlement Approval Hearing, or who otherwise fails to comply with the requirements of Section 6.02(2) shall be foreclosed from seeking any adjudication or review of the Settlement by appeal or otherwise.

6.03 Settlement Approval Hearing

- (1) The Settling Parties will request that the Court hold the Settlement Approval Hearing promptly after the deadline(s) for (1) Class Members to Opt Out and (2) Settlement Class Members to object.
- (2) At the Settlement Approval Hearing, the Agreement Parties, to the extent that they appear at the hearing, shall make joint representations to the Court with a view to obtaining the Settlement Approval Order and Judgment.
- (3) The Settlement Approval Order and Judgment, if granted, is final and binding and unaffected by any issue, dispute or order granted in respect of Class Counsel Fees or Merchant Counsel Fees. Class Counsel Fees and/or Merchant Counsel Fees will be resolved by agreement between Class Counsel and Merchant, with such fee awards being subject to Court approval, or failing agreement, by a separate order(s) of the Court.
- (4) Each Agreement Party shall bear its own costs of the Settlement Approval Application.

6.04 The Defendants' Termination Right

- (1) The Defendants shall have the option to withdraw from this Settlement Agreement, obtain the return of all funds held in the Trust Account under Section 8.01(3), and render the Settlement Agreement null and void, if any of the following conditions occur:
 - (a) The number of Opt Outs exceeds that indicated in the separate agreement of the Settling Parties. The Settling Parties will seek leave to file under seal said agreement about when and how Defendants may assert such rights.

- (b) The Court does not grant the Settlement Approval Order and Judgment, substantially in the form attached as Exhibit 4, after the Settlement Approval Hearing.
- (c) An appellate court overturns the Court's decision to grant the Settlement Approval Order and Judgment.
- (d) Other than in relation to the quantum of Class Counsel Fees or Merchant Counsel Fees, there is a dispute between any of the Plaintiffs, the Ontario Plaintiffs, Class Counsel, Zechel, R&A, the Brown Estate, CLG and/or Merchant in relation to a material term of this Settlement Agreement.
- (e) Any Agreement Party other than the Defendants breaches a material term of this Settlement Agreement.

6.05 Procedure for Withdrawal

- (1) The Defendants must follow the following procedure in order to withdraw from the Settlement:
 - (a) In order to elect to withdraw from the Settlement and terminate the Settlement Agreement on the basis set forth in Section 6.04(1)(a), the Defendants must notify Class Counsel in writing of their election to do so within ten days after the Opt Out List has been served on the Settling Parties. If the first Opt Out List circulated by the Settlement Administrator does not contain sufficient Opt Outs to trigger the Defendants' right to withdraw, but the Settlement Administrator subsequently provides an updated Opt Out List containing sufficient Opt Outs to trigger Defendants' right to withdraw, then the Defendants shall have ten days from the circulation of the updated Opt Out List to exercise that right, and the Settling Parties shall have the right at either's discretion to request that the Court postpone the Settlement Approval Hearing by the number of days between the provision of the initial and updated Opt Out Lists. In the event that the Defendants exercise their right to withdraw under Section 6.04(1)(a), Class Counsel shall have, at their discretion, ten days or such longer period as agreed to by the Settling Parties to address the concerns of the Opt Outs. If through such efforts the total number on the Opt Out List subsequently becomes and remains fewer than the number submitted pursuant to Section 6.04(1)(a) Defendants shall withdraw their election to withdraw from the Settlement and terminate the Settlement Agreement. In no event, however, shall Defendants have

any further obligation under this Agreement to any Opt Out unless he or she withdraws his or her request for exclusion.

- (b) To withdraw from the Settlement and terminate the Settlement Agreement on the basis set forth in Section 6.04(1)(b), (c), (d), or (e) the Defendants must provide notice in writing to the other Agreement Parties.

6.06 Effect of Withdrawal

- (1) In the event the Defendants withdraw from the Settlement, pursuant to Sections 6.04-6.05, this Settlement Agreement shall be null and void, shall have no further force and effect with respect to any party in the Proceeding and shall not be offered in evidence or used in any litigation for any purpose, including the existence, certification, or maintenance of any purported class. In the event of such withdrawal, this Settlement Agreement and all negotiations, proceedings, documents prepared, and statements made in connection herewith shall be without prejudice to the Settling Parties, and shall not be deemed or construed to be an admission or confession by any party of any fact, matter, or proposition of law, and shall not be admitted into evidence or otherwise used in any manner for any purpose, and all parties to the Proceeding shall stand in the same position as if this Settlement Agreement had not been negotiated, made, or filed with the Court. Without limiting the foregoing, this Settlement Agreement and the fact of the Settlement shall not be used or relied upon in this or any other proceeding as evidence of the suitability of the Plaintiffs' claims, or any claims related to the Class Vehicles or EGR, for certification as a class action. Upon withdrawal, the Settling Parties shall consent to setting aside or vacating any Court order(s) made in furtherance of the Settlement.
- (2) Neither the Plaintiffs, the Ontario Plaintiffs, Zechel, R&A, the Brown Estate, Class Counsel, CLG, and/or Merchant will have any responsibility whatsoever to pay any Settlement Fees and Expenses (including the Settlement Administrator's own fees), even if: (a) the Settlement Agreement is terminated in accordance with Article 6 of this Settlement Agreement; (b) the Proceeding is not certified as a class action by the Court at the Certification and Notice Approval hearing, (c) the Settlement is not approved by the Court at the Settlement Approval Hearing; or (d) for any reason, there is no Effective Date.

ARTICLE 7
NOTICE OF SETTLEMENT APPROVAL

7.01 Second Class Notice

- (1) The cost of the Second Class Notice and other Settlement Fees and Expenses, as agreed to by the Settling Parties, will be paid from the Cash Fund.
- (2) The Second Class Notice will be accomplished through a combination of the Second Short Form Notice, notice through the Settlement Website, and Second Long Form Notice, each of which is described below, as specified in the anticipated Settlement Approval Order and Judgment and this Settlement Agreement and in order to comply with all applicable laws.

7.02 Second Short Form Notice

- (1) As soon as practicable after the Settlement Approval Order and Judgment, the Settlement Administrator shall send the Second Short Form Notice by first class mail, proper postage prepaid, to members of the Settlement Class identified during the First Class Notice. For greater clarity, the Settlement Administrator shall not be required to deliver Second Class Notice to those addresses returned to sender during the First Class Notice.
- (2) As soon as practicable after the Settlement Approval Order and Judgment, the Settlement Administrator shall send the Second Short Form Notice by email to members of the Settlement Class for whom an email address was located. For greater clarity, the Settlement Administrator shall not be required to deliver Second Class Notice to those email addresses returned as undeliverable during the First Class Notice.

7.03 Settlement Website and Second Long Form Notice

- (1) As soon as practicable after the Settlement Approval Order and Judgment, the Settlement Administrator shall update the Settlement Website to reflect the Settlement Approval Order and Judgment as soon as practicable after the Settlement Approval Order and Judgment is made. Without limitation, the Second Long Form Notice will be available on the Settlement Website after the Settlement Approval Order and Judgment is made. Further, Class Members should then be able to continue to submit a claim through the Settlement Website or in hard copy. The Settlement Website will “pre-populate” claims information to the extent the Settlement Administrator possesses it.

- (2) The Settlement Administrator will send, via first class mail, the Second Long Form Notice to those persons who request it.

ARTICLE 8
SETTLEMENT ADMINISTRATION

8.01 Cash Fund

- (1) The Cash Fund shall be held in the Trust Account and invested by Class Counsel or their duly appointed agent for the benefit of the Settlement Class.
- (2) No portion of the Cash Fund shall be used or made available to the Settlement Class except as specifically set forth in this Settlement Agreement. Until such time as the Cash Fund is distributed, the Settlement Class shall not possess any rights to demand or receive any portion of the monies or to mortgage, pledge, or encumber the same in any manner. To the extent possible, the terms of the Settlement Agreement shall be construed so as to prevent the Plaintiffs or others from being in constructive receipt of the Cash Fund. All expenses incurred in administering the Cash Fund, including without limitation, the fees and expenses of the Bank and Settlement Administrator, shall be paid from the Cash Fund.
- (3) If this Settlement Agreement does not for any reason become final or effective or is otherwise rescinded, withdrawn, or abrogated before the Effective Date, then all amounts that remain in the Trust Account shall be returned to the Defendants. Notwithstanding anything else in this Settlement Agreement, before the Effective Date, the amount in the Trust Account shall be expended only on the cost of the First Class Notice.
- (4) The Settlement Administrator shall have the authority to conduct any and all activities necessary to administer the Cash Fund. The Settlement Administrator shall submit personally to the jurisdiction of the Court.
- (5) Class Counsel, Class Counsel's agent or the Settlement Administrator shall pay any taxes on any interest that accrues on the funds in the Trust Account or otherwise arises in relation to the Trust Account from the Cash Fund. The Defendants shall have no responsibility to make any income tax filings relating to the Trust Account or the Cash Fund and will have no responsibility to pay tax on any income earned by the Cash Fund after it has been transferred to the Trust Account, or pay any taxes on the monies in the Trust Account, unless this Settlement Agreement is terminated, in which case the interest earned on the

funds in Trust Account, shall be paid to the Defendants, and in such case, each Defendant shall be responsible for the payment of all taxes on its proportionate share of such interest.

- (6) Class Counsel or their duly appointed agent shall maintain the Trust Account as trustee and as provided for in this Settlement Agreement.

8.02 Duties of the Settlement Administrator

- (1) Promptly after the Certification and Notice Approval Order is made, the Settling Parties will direct the Settlement Administrator to issue the First Class Notice. Promptly after the Settlement Approval Order and Judgment, the Settling Parties will direct the Settlement Administrator to issue the Second Class Notice, to receive and appropriately respond to all claims submitted by a member of the Settlement Class in both French and English, and to otherwise administer the Settlement Agreement. The Settlement Administrator will (1) assign personnel to manage the settlement implementation process, including the First Class Notice and the Second Class Notice, (2) provide settlement administration services to Class Members in both French and English, (3) establish a toll-free telephone number that Class Members may call to obtain information in both French and English, (4) establish a mailing address to which members of the Settlement Class can send claims for reimbursement and (5) create a bilingual Settlement Website containing information about the Settlement, including claim forms for download or electronic submission. All costs and expenses related to the administration of this Settlement, whenever paid by the Defendants, will be deducted from the Cash Fund.

8.03 Submission of Claims

- (1) To obtain compensation under Section 4.03(1), a member of the Settlement Class must submit a timely claim to the Settlement Administrator. Class Counsel and Defendants' Counsel will participate in the design of the claims administration process and will receive periodic information about the Settlement Administrator's handling of claims, including but not limited to information identifying the claims and claimants, sufficient to let them comment upon and/or raise objections to how it is being performed. Class Counsel will work continuously with Defendants' Counsel throughout the claims administration process to ensure that the claims process is fair and that the number of valid claims is maximized.
- (2) The Settlement Administrator will not review or pay any claims for monetary compensation submitted by a member of the Settlement Class more than 180 calendar days after the

delivery of the Second Class Notice. The Settling Parties reserve the right to jointly move the Court to permit late-filed claims.

- (3) All claims for monetary compensation must indicate whether the claimant is submitting a claim for one of the options in Section 4.03(1), and which option is being selected. These options will be readily apparent on the Settlement Website.
- (4) All claims for compensation must include Proof of Membership in the Class. Class Counsel and Defendants' Counsel will work in good faith with the Settlement Administrator when designing the claims-submission feature of the Settlement Website.
- (5) The Settlement Administrator may reject any claim that does not include the required information, documentation, or certification specified in Sections 8.03(3) and 8.03(4). The Settlement Administrator may investigate any claim, including by requesting from the member of the Settlement Class additional documentation to determine whether the claim is valid. If the Settlement Administrator rejects a claim, it will advise the member of the Settlement Class who submitted the claim of the reason(s) for the rejection (e.g., missing information, documentation, or certification; ineligibility to submit a claim; or claim does not involve a Class Vehicle). If a claim is rejected due to missing information or documentation, the Settlement Administrator will give the member of the Settlement Class 30 days to resubmit that claim along with additional information, so long as the claim was originally submitted by the deadline to submit the claim.
- (6) If a member of the Settlement Class disputes either the Settlement Administrator's rejection of a claim or the amount to be reimbursed pursuant to a claim, the member of the Settlement Class may appeal the Settlement Administrator's decision by submitting the claim, the Settlement Administrator's decision on the claim, and an explanation of the Settlement Administrator's alleged error to the Settlement Administrator within 30 days of the postmark date on the envelope, or the date of the email, in which the Settlement Administrator sent its decision to the member of the Settlement Class. The Settlement Administrator will share all appeals received with Class Counsel and Defendants' Counsel, and shall make a final, binding determination of the appeal following its receipt of the Settlement Parties' responses to the appeal. The determination of the Settlement Administrator in an administrative review is final and is not subject to further review by any court or other tribunal. No Plaintiff, Ontario Plaintiff, Zechel, R&A, the Brown Estate or member of the Settlement Class shall have any

claim against the Defendants based on a disagreement with the determination of the Settlement Administrator.

ARTICLE 9
CLASS COUNSEL FEES AND PLAINTIFF HONORARIUM

9.01 Class Counsel Fees

The Defendants will not oppose such application.

- (6) All amounts awarded on account of Class Counsel Fees and Merchant Counsel Fees or of other expenses pursuant to Section 9.01(4) as ordered by the Court, shall be paid solely

LEGAL NOTICE AUTHORIZED BY THE SUPREME COURT OF BRITISH COLUMBIA **NAVISTAR MAXXFORCE ENGINE CLASS ACTION AND PROPOSED SETTLEMENT**

TO: All persons and entities in Canada, excluding Quebec, who on or before February 24, 2022, purchased or leased for more than 30 days, one or more 2011-2014 model year Navistar vehicles equipped with a MaxxForce 11-, 13-, or 15-litre engine.

This notice is only a summary. For more information, you can view the Long-Form Notice by visiting [●Settlement Website URL] or calling [●Settlement Administrator].

What is the Lawsuit About?

A class action lawsuit was commenced in British Columbia (the “Action”) against Navistar Canada ULC, Navistar, Inc., Navistar International Corporation, and Harbour International Trucks Ltd. (the “Defendants”) on behalf of all persons in Canada (excluding Quebec) who owned or leased a 2011-2014 model year Navistar vehicle equipped with a MaxxForce 11-, 13-, or 15-litre engine that used EGR but not SCR emissions technology (the “Class Vehicles”). The Class Vehicles are 2011-2014 model year vehicles. This includes the following Navistar truck brands: “PAYSTAR”, “WORKSTAR”, “TRANSTAR”, “9900i”, “LONESTAR”, and “PROSTAR”.

The Action claims that the Defendants sold or leased Class Vehicles equipped with a defective EGR emissions system. The Defendants deny these allegations but have agreed to a settlement with the Plaintiffs (the “Settlement”).

Certification

The Action was previously certified by the Supreme Court of British Columbia (the “Court”) on November 16, 2016, and amended by Court orders dated October 19, 2021 and February 24, 2022. Following the Settlement, the Court approved an amended class definition and certified the Action for settlement purposes. The Class includes all persons who owned or leased (for more than 30 days) a Class Vehicle, subject to certain exceptions.

The Proposed Settlement

A Settlement has been reached that resolves the Action as against the Defendants. The Settlement requires the payment of \$13,775,000 cash (the “Cash Amount”), and up to CAD \$725,000 towards rebates (the “Rebate Amount”), to a collective total of CAD \$14,500,000 for the benefit of the class, to be distributed at a later date. The Settlement, if approved, will resolve all outstanding class litigation against the Defendants on a national basis including similar cases previously brought by lawyers in Ontario, Alberta and Manitoba.

The Settlement must be approved by the Court. If approved, the Defendants will be provided with a full and final release of claims made against them. The Settlement is not an admission of wrongdoing or liability in relation to the Action.

The Cash Amount, minus Court-approved class counsel fees, disbursements, administration costs and applicable taxes, will be held in an interest-bearing trust account for the benefit of class

members until distribution (the “Cash Funds”, and together with the Rebate Amount, the “Settlement Funds”).

Once approved, a separate notice will announce the process for class members to submit a claim form to obtain money from the Settlement.

Who is included?

The Class is defined as follows:

All natural persons or entities resident in Canada, but not resident in Quebec, who on or before February 24, 2022, purchased or leased for more than 30 days, one or more Class Vehicles EXCLUDING: (1) all Persons that have litigated claims involving Class Vehicles’ allegedly defective EGR emissions system against one or more Defendants to final, nonappealable judgment (with respect to those vehicles only); (2) all Persons who, via a settlement or otherwise, delivered to one or more Defendants releases of their claims involving Class Vehicles’ allegedly defective EGR emissions system (with respect to those vehicles only) including, for greater certainty, through a settlement of *4037308 Canada Inc. v. Navistar Canada Inc.*, Superior Court of Quebec File No. 500-06-000720-140, District of Montreal; (3) the Defendants’ employees, officers, directors, agents, and representatives, and their family members; (4) any Authorized Navistar Dealer of new or used vehicles; (5) any Person that purchased a Class Vehicle solely for the purposes of resale or to provide financing for a sale or leasing agreement (with respect to those vehicles only); (6) Idealease and Navistar Leasing Co.; and (7) any person or entity that was a lessee of a Class Vehicle for 30 days or less

If you believe that you are a class member, please locate and retain copies of any documents relating to your purchase or lease of a Class Vehicle(s). These will be required to make a claim for money or a rebate from the Settlement.

Court Approval

The Settlement must be approved by the Court before it becomes effective. If the Settlement is approved, the Action will be resolved in its entirety, and any claims class members have against the Defendants in respect of the Action will be extinguished unless you opt-out (see below).

At the Settlement Approval Hearing, the Court will determine whether the Settlement is fair, reasonable and in the best interest of the class. At the same hearing, class counsel may also be requesting Court approval of fees of up to 30% of the Cash Amount, plus out of pocket expenses paid for by class counsel over the course of the case and applicable taxes. If approved, the amount will be paid to class counsel out of the Cash Fund.

Opting Out of the Action

Class members have the right to exclude themselves from the Action (“opt-out”).

- If you opt-out, you will not be eligible to participate in or receive money from the Action or the Settlement, but you may be able to start or continue your own case regarding the claims at issue.
- If you do nothing, you will be eligible to participate in and may receive money from the Action but you will not be able to start or continue your own case regarding the claims at issue.

You may opt-out by providing notice to the Settlement Administrator by [●Date]. BASIC INFORMATION

What is a class action?

A class action is a lawsuit filed by one or more people called representative plaintiff(s), on behalf of other people who have similar claims. The people together form a class or class members. The companies they sued are called the Defendants. One court resolves legal issues common to everyone in the class, except for those people who choose to exclude themselves, or opt out, of the class.

N&C Transportation Ltd. is the representative plaintiff in this Action.

Why did I receive a notice?

You received this notice because our records indicate that you may be a Class member. If you are a Class member and do not exclude yourself ("opt out"), the outcome of the Action will affect you.

This notice and the short form notice have been approved by the Supreme Court of British Columbia (the "Court") to notify potential class members of their rights.

What is this lawsuit about?

The Action claims that Defendants sold or leased vehicles equipped with a 2011-2014 model year MaxxForce 11-, 13-, and 15-litre diesel engine equipped with a defective EGR emissions system. These are called "Class Vehicles". The Defendants deny all of the allegations in the Action and that they did anything wrong. The lawsuit seeks damages (money) for the Settlement Class.

The Action is referred to as *N&C Transportation Ltd. v. Navistar International Corporation*, Supreme Court of British Columbia Action No. S144960, Vancouver Registry.

What is a settlement?

A settlement is when a defendant agrees to pay money to the members of the class action in exchange for having the case against it dismissed.

The Court did not decide in favor of the representative plaintiff or the Defendants. Instead, both sides agreed to resolve the litigation with a settlement. That way, they avoid the risk and cost of a trial, and the people and entities affected will get compensation. The representative plaintiff and class counsel believe the proposed Settlement confers substantial benefits on the Settlement Class and have determined that it is in their best interest, because it represents a fair, reasonable, and adequate resolution of the Action.

The Defendants deny the claims in the Action. This means that they deny all allegations of wrongdoing, fault, liability, or damage to the representative plaintiff and the class, and deny that they acted improperly or wrongfully in any way. The Defendants nevertheless recognize the expense and time that would be required to defend the Action through trial and have taken this into account in agreeing to this Settlement. The Settlement, if approved, will resolve all

outstanding class litigation against the Defendants on a national basis including similar cases previously brought by lawyers in Ontario, Alberta and Manitoba.

The Settlement must be approved by the Court to become effective.

WHO IS IN THE SETTLEMENT CLASS

This notice and the lawsuit affects you only if you are part of the Settlement Class.

How do I know if I am part of the class?

The Court decided that everyone who meets the following definition is a Class Member:

All natural persons or entities resident in Canada, but not resident in Quebec, who on or before February 24, 2022, purchased or leased for more than 30 days, one or more Class Vehicles EXCLUDING: (1) all Persons that have litigated claims involving Class Vehicles' allegedly defective EGR emissions system against one or more Defendants to final, nonappealable judgment (with respect to those vehicles only); (2) all Persons who, via a settlement or otherwise, delivered to one or more Defendants releases of their claims involving Class Vehicles' allegedly defective EGR emissions system (with respect to those vehicles only) including, for greater certainty, through a settlement of *4037308 Canada Inc. v. Navistar Canada Inc.*, Superior Court of Quebec File No. 500-06-000720-140, District of Montreal; (3) the Defendants' employees, officers, directors, agents, and representatives, and their family members; (4) any Authorized Navistar Dealer of new or used vehicles; (5) any Person that purchased a Class Vehicle solely for the purposes of resale or to provide financing for a sale or leasing agreement (with respect to those vehicles only); (6) Idealease and Navistar Leasing Co.; and (7) any person or entity that was a lessee of a Class Vehicle for 30 days or less.

What vehicles are included?

"Class Vehicle(s)" means all Navistar vehicles equipped with MaxxForce 11-, 13-, or 15-litre engines certified to comply with the 2010 EPA standards, without the use of selective catalytic reduction technology. The Class Vehicles are 2011-2014 model year vehicles. This includes the following Navistar truck brands: "PAYSTAR", "WORKSTAR", "TRANSTAR", "9900i", "LONESTAR", and "PROSTAR".

If you believe that you are a Class Member, please locate and retain copies of any documents relating to your purchase or lease of a Class Vehicle(s). These will be required to make a claim for money or a rebate from the Settlement, once it is approved by the Court. If you have questions about what documents you should retain, please contact the settlement administrator at [●Email Address] or [●Phone Number].

I'm still not sure if I'm included

This notice contains only a summary of the Settlement and Class Members are encouraged to review the complete Settlement agreement online. A copy can be downloaded from the settlement website at [●Settlement Website URL](#).

If you would like a copy of the Settlement agreement or have questions that are not answered online, please contact the appropriate Class Counsel or Settlement Administrator, at the information identified below. **Inquiries should not be directed to the Court.**

THE SETTLEMENT

The Settlement requires the payment of \$13,775,000 cash (the "Cash Amount"), and CAD \$725,000 towards rebates (the "Rebate Amount"), to a collective total of CAD \$14,500,000 for the benefit of the Settlement Class (the "Settlement Amount").

The Cash Amount, minus Court-approved Class Counsel fees, disbursements, administration costs and applicable taxes, will be held in an interest-bearing trust account for the benefit of Class members until distribution (the "Cash Funds", and together with the Rebate Amount, the "Settlement Funds").

Once approved, a separate notice will announce the process for Class Members to submit a claim form to obtain money from the Settlement. If approved, the Settlement Funds will be distributed at a later date. If the Settlement is approved, it will bind all Settlement Class Members who have not excluded themselves and end the Action.

What can I get if the settlement is approved?

If the settlement is approved you may choose only one of the following three options for compensation for each Class Vehicle you own(ed), or lease(d) for more than 30 days:

Cash Option: the cash option provides a payment up to \$2,500 per Class Vehicle based on months of ownership or lease. Each demonstrated month of ownership or lease is eligible for the following amounts, subject to certain limitations:

Class Vehicle Model Year	Monetary Amount
2011	\$19.38/month
2012	\$21.37/month
2013	\$23.81/month
2014	\$26.88/month

Rebate Option: The rebate option provides a rebate worth up to \$10,000 towards the purchase of a new Navistar Class 8 heavy-duty truck, based on months of ownership or lease of a Class Vehicle. The rebate(s) are deducted from the best negotiated retail purchase price (not including sales tax or delivery fees) and in addition to any other applicable promotion, rebate, or discount

then in effect at the time of purchase and for which both the purchase and the purchaser would otherwise qualify. The rebate(s) are not transferable and not stackable, and no Settlement Class Member will be issued more than ten (10) rebates. Each demonstrated month of ownership or lease is eligible for the following rebate amounts, up to \$10,000, subject to certain limitations:

Class Vehicle Model Year	Monetary Amount
2011	\$77.52/month
2012	\$85.47/month
2013	\$95.24/month
2014	\$107.53/month

Individual Prove-Up Option: The individual prove-up option provides the option to prove up to \$15,000 of “Covered Costs” per Class Vehicle. Any Settlement Class Member who initially selects the individual prove-up option may instead switch to the cash option at any time prior to the final determination of their award. The amount of potential compensation is dependant on the number of kilometers accumulated on the Class Vehicle(s), qualifying as a “Covered Event”, and meeting the requirement of certain “Covered Costs”.

There are various categories of Covered Events and Covered Costs. These include:

- a service event for repair or replacement of an EGR cooler, or EGR valve;
- a service event for repair or replacement of secondary components within 30 days of replacement of an EGR cooler or EGR valve; and,
- costs actually incurred as a result of the above service events, such as: parts and labour, towing, rental trucks, lost load revenue, travel costs, wages, permits, and loading/unloading.

For the complete list of Covered Events, Covered Costs, and their conditions please view the complete Settlement agreement, available at [●Settlement Website URL]. The amounts received by Settlement Class Members under any option may be reduced, or increased, *pro rata* based on the number of claims by a particular group. Some limitations apply, particularly if one Settlement Class Member leased a truck to another Settlement Class Member. To see the full Settlement agreement, please visit [●Settlement Website URL]. For any other questions, please contact class counsel at the information below.

When would I get a settlement payment?

The Court is holding a hearing to determine whether to approve the Settlement on [●Date]. After that hearing, the Court will set a schedule for Settlement Class Members to make claims. You will receive another notice with instructions on how to make a claim if the Settlement is approved.

EXCLUDING YOURSELF FROM THE CLASS (OPTING OUT)

If you are a Class Member but don't want to be bound by the Action or the Settlement (if approved), you must take steps to exclude yourself by [●Date]. This is called opting out of the Action. If you take no steps by the deadline you will be part of the Settlement Class.

How do I Opt Out?

Any Class member who wants to be excluded from the Action must submit a request to opt-out to the settlement administrator at the following address:

[●Settlement Administrator's address].

If you wish to exclude yourself, you must request exclusion for all Class Vehicles you own(ed), or lease(d) for more than 30 days. You may not exclude yourself from the Action for one or more Class Vehicles while also seeking benefits of the Action for other Class Vehicles.

An opt-out request must be postmarked to the address above on or before **[●Date]**. It must include: (1) the class member's full name, address, and telephone number; (2) the model, model year, and VIN of the class member's Class Vehicle(s); (3) an explicit and unambiguous statement of the class member's desire to opt out of the class; and (4) the class member's signature. If the class member is an entity and not an individual, the request must be signed by an officer or director of the entity and include a statement that attests to that person's ability to act on behalf of the entity. Requests for exclusion signed only by counsel or other representative will not be permitted.

If I don't opt-out, can I sue the Defendants for the same thing later?

No. Unless you opt-out yourself, you will be bound by the result of the Action. If the settlement is approved, it will release any legal claims by class members' against the Defendants relating to the claims in the lawsuit. You must exclude yourself from this class to continue your own lawsuit.

If I opt-out, can I get money from the settlement?

No. Only Settlement Class Members can participate in the Settlement and receive compensation, if it is approved by the Court.

If I opt-out, can I object to the settlement?

No. If you opt out, the Settlement no longer affects you.

What am I giving up to stay in the Action?

If the Settlement is approved, it will release any legal claims by Settlement Class Members against the Defendants relating to the claims in the Action. That means that, if the Settlement is approved, you exchange the ability to sue, continue to sue, or be part of any other lawsuit against the Defendants about the legal issues in this case, for the compensation in the Settlement. It also means that all of the Court's orders will apply to you and legally bind you.

CLASS COUNSEL FEES

Do I have to pay for a lawyer?

Class members are represented by class counsel. You do not need to pay class counsel any money out of pocket. If you want to be represented by your own lawyer, you must hire one at your own expense. If the Settlement is approved, class counsel will ask for fees of up to 30% of the Settlement Amount, to be paid from the Settlement Funds.

How much money will class counsel and the representative plaintiff receive?

Counsel's fees must be approved by the Court. Class counsel and counsel to the plaintiff in the Manitoba action may ask the court to approve fees of up to 30% of the value of the Settlement, which equals \$4,350,000 plus applicable taxes. Counsel will also ask the court to approve "disbursements" which are out of pocket expenses that have paid including for expert witnesses and other requirements for the case.

Class counsel and counsel to the plaintiffs in other actions commenced across the country will also ask the court to approve an award of \$6,000 to each of the representative plaintiff(s), and/or those proposed representative plaintiffs in actions commenced across the country. This is intended to compensate them for their efforts, time and participation in the actions. The representative plaintiffs are also entitled to participate in the Settlement like other class members.

The amounts paid to class counsel and the representative plaintiffs will be deducted from the Cash Funds.

If you wish to comment on or make an objection to class counsel's fees or the proposed honorarium to the representative plaintiffs, a written submission and other information about you must be delivered to Class Counsel (contact particulars below) by [●Date]. Class Counsel will forward all such submissions to the Court. For information on what you need to submit, please visit [●Settlement Website URL].

When and where will the court decide whether to approve the settlement?

The Court will hold a hearing to decide whether to approve the Settlement on [●Date]. If there are objections, the Court will consider them at the hearing. The Court may also decide how much to pay to class counsel and the representative plaintiffs. The Court may decide whether to approve the Settlement immediately after the hearing, or may take some time to consider it.

Please visit [●Settlement Website URL], or contact class counsel for details of the settlement approval hearing if you wish to attend.

OBJECTING OR COMMENTING ON THE SETTLEMENT

As part of the approval process, you can provide the Court with your comments or objections to the Settlement. The Court will consider any objections it receives when deciding whether to approve the Settlement.

What's the difference between objecting and opting-out?

Objecting or commenting on the settlement agreement is telling the Court what you think about the Settlement. You can object or comment only if you stay in the Settlement Class. Opting-out is telling the Court that you don't want to be part of the Settlement Class. If you opt-out, you have no basis to object because the case no longer affects you.

If I object to the Settlement but the Settlement is approved, can I still claim compensation?

Yes.

Do I need a lawyer to object to the settlement?

No. If you wish to be represented by a lawyer you may hire one at your own expense.

How do I object to or comment on the settlement?

If you are a Class member, you can object to or comment on the settlement. You can't ask the Court to order a different Settlement; the Court can only approve or reject the Settlement as it is. If the Court does not approve the Settlement, no Settlement payments will be sent out, and the Action will continue.

Any objection or comment on the proposed Settlement must be in writing and sent to Class Counsel at the information provided below. You need to submit information about yourself with your objection. If you file a timely written objection or comment, with all necessary information, you may, but are not required to, appear at the hearing where the Court will decide whether to approve the Settlement, either in person or through your own lawyer. Your objection must be filed on or before [●Date] or it may not be considered. For more information, please visit [●Settlement Website URL].

What is the Lawsuit About?

A class action lawsuit was commenced in British Columbia (the “Action”) against Navistar Canada ULC, Navistar, Inc., Navistar International Corporation, and Harbour International Trucks Ltd. (the “Defendants”) on behalf of all persons in Canada (excluding Quebec) who owned or leased a 2011-2014 model year Navistar vehicle equipped with a MaxxFace 11-, 13-, or 15-litre engine (the “Class Vehicles”). The Action claims that the Defendants sold or leased Class Vehicles

equipped with a defective EGR emissions system. The Defendants deny these allegations but have agreed to a settlement with the Plaintiffs (the “Settlement”).

The court-approved Settlement provides payment of \$13,775,000 cash (the “Cash Amount”), and up to CAD \$725,000 towards rebates (the “Rebate Amount”), to a collective total of CAD \$14,500,000 for the benefit of the class (the “Settlement Amount”). The Settlement was approved by the Supreme Court of British Columbia (the “Court”) on [●Date] 2023.

The Cash Amount, less Court-approved fees, disbursements, notice costs, and applicable taxes are being held in an interest-bearing trust account for the benefit of all Class Members (the “Cash Funds”, and together with the Rebate Amount, the “Settlement Funds”).

THE CLAIMS PROCESS

What can I claim?

You may choose only one of the following three options for compensation for each class vehicle you own(ed) or lease(d) for more than 30 days:

Cash Option: the cash option provides a payment up to \$2,500 per Class Vehicle based on months of ownership or lease. Each demonstrated month of ownership or lease is eligible for the following amounts, subject to certain limitations:

Class Vehicle Model Year	Monetary Amount
2011	\$19.38/month
2012	\$21.37/month
2013	\$23.81/month
2014	\$26.88/month

Rebate Option: The rebate option provides a rebate worth up to \$10,000 towards the purchase of a new Navistar Class 8 heavy-duty truck based on months of ownership or lease of a Class Vehicle. The rebate(s) are deducted from the best negotiated retail purchase price (not including sales tax or delivery fees) and in addition to any other applicable promotion, rebate, or discount then in effect at the time of purchase and for which both the purchase and the purchaser would otherwise qualify. The rebate(s) are not transferable and not stackable, and no Settlement Class

Member will be issued more than ten (10) rebates. Each demonstrated month of ownership or lease is eligible for the following rebate amounts, up to \$10,000, and subject to certain limitations:

Class Vehicle Model Year	Monetary Amount
2011	\$77.52/month
2012	\$85.47/month
2013	\$95.24/month
2014	\$107.53/month

Individual Prove-Up Option: The individual prove-up option provides the option to prove up to \$15,000 of “Covered Costs” per Class Vehicle. Any Settlement Class Member who initially selects the individual prove-up option may instead switch to the cash option at any time prior to the final determination of their award.

The amount of potential compensation is dependant on the number of kilometers accumulated on the Class Vehicle(s), qualifying as a “Covered Event”, and meeting the requirement of certain “Covered Costs”.

There are various categories of Covered Events and Covered Costs. These include:

- a service event for repair or replacement of an EGR cooler, or EGR valve;
- a service event for repair or replacement of secondary components within 30 days of replacement of an EGR cooler or EGR valve; and,
- costs actually incurred as a result of the above service events, such as: parts and labour, towing, rental trucks, lost load revenue, travel costs, wages, permits, and loading/unloading.

For the complete list of Covered Events, Covered Costs, and their conditions please view the complete Settlement agreement, available at [\[●Settlement Website URL\]](#).

The amounts received by Settlement Class Members under any option may be reduced, or increased, *pro rata* based on the number of claims by a particular group. Some limitations apply, particularly if one Settlement Class Member leased a truck to another Settlement Class Member.
